Love and Humility
A prayer of Mark Berryhill

Father, what would You have me write about today?

Father, I see a precious three year old boy bowed down on his knees with clasped hands praying fervently unto You.

Father, the words that Your Holy Spirit prayed through the little boy touched my heart and I am overwhelmed by the knowledge You have already filled him with.

Father, the sincerity with which His words are spoken and the love which he already possesses for You causes tears of joy to run down the cheeks of my face.

Father, may You be as close to him today and for all of the tomorrows as the day I saw him kneeled down praying to You with a pure love in His heart for You that I am jealous of.

Father, may the joy that the prayers of our children cause in Your heart last throughout infinite.

Father, may the love that our children possess for You be renewed in our own hearts, and may we learn to walk in the humility that they own.

Father, I see the elderly man at the nursing home sitting in his wheel chair and sadness enters my heart, and yet the sight of the young man caring for him lightens my heart with a smile.

Father, help us to care and provide for the elderly men and women as if they were our newborn babies.

Father, help us to care for the fatherless.

Father, help us to keep ourselves unspotted from the world.

Father, we desire to love You with all of our hearts, souls, minds and strength.

Father, mold us with Your skillful hands and cause us to cleave unto You as none have ever cleaved unto their beloved Father.

Father, the Son and
the Holy Ghost

A Prayer for the Perfect Wife

A song of Mark Berryhill

Father God, I pray that You will give me a wife that loves You with all of her heart, soul, mind and strength.

Father God, I pray that she loves Your Word with all of her heart, soul, mind and strength.

Father God, I pray that she will love me with all of her heart, soul, mind and strength with a love which is only surpassed by what she has for You.

Father God, I pray that You will give her and me a tribe of little boys that will become ministers of the Gospel of Your Son.

Father God, I pray that You will give her and me a little girl that will be a prophetess in the order of Deborah, Miriam, Hannah, Anna, Elizabeth and even Mary, the mother of Your precious Son Jesus.

Father God, I pray that You will walk with each one of the children as You walked with Jesus while He was here on earth.

Father God, this morning as I prayed to You, tears gently ran down my cheeks.

Father God, this morning I prayed that You would give me a wife that loves me so much that she would lay down her life for me.

Father God, give me a wife that I love so much that I would lay down my life for her.

Father God, You quickly responded to me this morning by saying, now My precious child you understand why I hung on the cross for you.

Father God, You replied, you see My child there is no greater joy and love in the world than for a bridegroom to lay down his life for the wife that He loves with all of His heart, soul, mind and strength.

Father God, give me a wife that will be the perfect wife for me, the perfect mother for our children and the perfect daughter to You.

Father God, place us where we can be most useful for You and Your Word.

The Walk with Christ
A prayer of Mark Berryhill

The walk with Christ is a joy surpassed by no other!

The walk with Christ will become the reason for waking and the very reason for existing!

The walk with Christ will become as the joy brought into our hearts because of the soft falling rain on a care free afternoon.

The walk with Christ will become as beautiful as the varied colors in God's rainbow which appeared during the rain of the same care-free afternoon.

The walk with Christ is as the brilliance and brightness of one of God's shooting stars as he races across the night sky.

The walk with Christ is as the joy the baby boy brings into my heart each time I hear his precious voice say, "daddy."

The walk with Christ is as the joy the little girl brings into my heart each time I hear her precious voice say, "daddy."

The walk with Christ is as the warmth and joy brought into our hearts each time we enter into our moderate and yet immaculate home that He has provided for us.

The walk with Christ is as the joy brought into our hearts by the Thanksgiving dinner which has been so perfectly prepared.

The walk with Christ is as the view which the eyes present to the mind as we see a magnificent snow-capped mountain of the far north.

The walk with Christ is as the excitement the father experiences as yet another precious child is delicately brought forth from the womb of the mother.

The walk with Christ is as a soothing care-free stroll on a warm summer afternoon at the family farm.

The walk with Christ brings forth joy into our hearts as when a young man realizes that the beautiful young maiden he is head over hills in love with will soon become his wife.

The Holy Spirit is Love
A song of Mark Berryhill

Holy Spirit, ring forth Your wisdom from Mount Zion throughout the whole earth!

Holy Spirit let the children shout forth praises of joy unto You from the rooftops!

Holy Spirit, exalted Spirit of the true and living God, set the world on fire for the King of kings!

Holy Spirit, as God's gently falling rain brings forth an abundance of food for His people, so let Your wisdom be shed forth into the hearts of our precious children!

Holy Spirit, as the beauty of God's brilliantly displayed rainbow causes our children's eyes to sparkle with excitement, so let Your pure love be living and active in pure hearts and lives!

Holy Spirit, You are becoming our love, life, hope and joy!

Holy Spirit, touch our hearts with the true and pure love of the Everlasting Father!

Holy Spirit, so as the beauty of the American Bald Eagle as he soars through the firmament of heaven, so let the joy of our living daily for You become the goal of each of Your children!

Holy Spirit, let Your peace be echoed throughout the world of mankind, and may He become the standard by which we choose to live!

Holy Spirit, let Your patience be echoed and felt throughout the world of mankind, and may He dwell within our hearts!

Holy Spirit let the gentleness displayed by Your heart and tongue become the goal for each one of us!

Holy Spirit let Your goodness dwell within our hearts, and let Him be felt throughout the world in its entirety!

Holy Spirit, shed forth Your faith into the hearts of our children, and bless them with faith as the Blessed Trinity's faith!

Holy Spirit, cause Your meekness to live in our hearts, and let Him dwell therein forevermore!

Holy Spirit let our self-control control the hearts and minds of Your called-out children, and let Him have His way in our daily lives!

The Children Belong to JESUS

A song of Mark Berryhill

Children are the greatest creation the Everlasting Father has ever created.

Children are the reason for His existence.

Children are the great reward and delight of the Father's heart of gold.

Children and their smiles make God's life worth living.

Children and their prayers touch the heart of their Creator and His voice roars as the voice of many waters, be fruitful and multiply.

Children and their love for their puppies, kittens and bunny rabbits create joy in the heart of their Creator.

Children, and their love and humility produce a smile on the heart of their Creator that reaches from the farthest star of the east unto the farthest star of the west.

Children are the perfect gift from the perfect giver of gifts, the LORD JEHOVAH God.

Children and their goodness make our steps lighter and cause the angels to sing songs of beauty concerning them.

Children and their sweetness make for a sweeter life.

Children and their smiles brighten even the darkest of days.

Children, when they are newborn, are so beautiful and helpless and yet in a moment of time they become the new generation of Christ's leaders.

Children, when they have become unable to care for themselves because of time and the elements thereof, are still to be treated with the love and compassion demonstrated toward the newborn child.

Children are children in the eyes of the Everlasting Father whether we are newborn or 120 years old.

Jesus Christ the Same Yesterday, and Today, and Forever
A song of Mark Berryhill

Jesus Christ has become the joy of our life!
Jesus Christ has become the reason for every moment of every season!
Jesus Christ is the same yesterday, and today, and forever!
Jesus Christ is our love, life, hope and joy!
Jesus Christ saved me when I was twelve years old!
Jesus Christ walked me to the baptistery by the power of the Holy Ghost and
caused me to accept Him as my personal Savior!
Jesus Christ, my precious friend is not in the abandoning of souls business!
Jesus Christ loves you with all of His heart, soul, mind and strength!
Jesus Christ, direct our steps in the pathway of holiness and righteousness for
Your great names sake!
Jesus Christ, let the voices of the children be heard from the rooftops glorifying
Your holy name!
Jesus Christ, thank You for the sun, the moon and the innumerable brilliant
racing stars!
Jesus Christ, teach us how to love You with all of our hearts, souls, minds and
strength!
Jesus Christ, thank You for the precious gift of the newborn child!
Jesus Christ, thank You for the health that we enjoy today!
Jesus Christ, thank You for the gift of laughter and the beauty of a precious
child's smile!
Jesus Christ, thank You for the cool and refreshing breeze!
Jesus Christ, thank you for the gift and power of the Holy Ghost!
Jesus Christ, thank You for another day to serve You with a pure and contrite
heart!
Jesus Christ, anoint these precious lambs with the spirit of love, joy, peace,
longsuffering, gentleness, goodness, faith, meekness and temperance!

True Understanding
A prayer of Mark Berryhill

When He was in pain did you extend your hand unto Him or look the other way?

When the young maiden found herself with child and a boyfriend who denied the affair, did you extend the help she needed or look the other way?

When the young man was broke and down on his luck because of no fault of his own did you offer the money he needed or look the other way?

When our decisions are based on monetary concerns rather than spiritual needs, we need to look the other way.

When the next drink of alcohol becomes more of a desire than spending time with the precious bride of your youth, repent, and direct your thoughts toward Christ.

When watching television is more important to you than studying God's Word, reconsider your priorities.

When our every thought is brought into the captivity of Jesus Christ and His Word we then will possess understanding!

Love, Love, Love
A prayer of Mark Berryhill

The true love which Christ possesses for you will endure throughout infinite.

The true love which Christ possesses for His called-out children is as the beauty of a slender fawn prancing eloquently through the nearby open field.

The true love which Christ possesses for His faithful children is as the joy a father experiences the first time his precious daughter calls him “daddy.”

The true love which Christ possesses for you is as the sound of laughter heard in a room when a father has told a wonderful and yet humorous story.

The true love which Christ possesses for His precious child is as the joy a husband experiences while hugging his wife after a long absence from her.

The true love which Christ possesses for His precious child is as the beauty of the picturesque scene of the great white capped mountains of the far north.

The true love which Christ possesses for the child is as the joy a mother experiences when her son calls her “mommy” for the first time.

The true love which Christ possesses for His child is as the power and fury of a great hurricane as he makes his way from the waters of the deep towards the isolated island.

The true love which Christ possesses for His lambs was most accurately demonstrated while He hung on the cross with outstretched arms thereby signifying, “I love you with all that I AM.”

The Joy of Life
A prayer of Mark Berryhill

The man reminded me of a great grizzly bear of the far north when I first saw him.

His arms were huge and at first glance I thought to myself, most people would fear this man because of his great size.

A few moments later I looked over at the same man and he was holding one of the most precious babies that I have ever seen.

The man with the apparent great strength was suddenly turned into a piece of clay once his granddaughter was handed over to him.

The previous frowns and hard looks of the man were suddenly translated into delicate kisses and hugs for a precious granddaughter.

The Great God that formed you in the womb of your mother loves you with all of His heart, soul, mind and strength.

The Great God that formed you in the womb of your mother is not in the forsaking of souls business.

The Great God that created life, light and hope is your best friend and His hand reaches down from Heaven and is always open and ready to receive His loved ones.

The Great God that fearfully and wonderfully created you pays attention to the details of His children even from before conception until after the victory of death of those who diligently seek Him, love Him and obey Him.

The Great God that has been loving and rescuing His called-out children for approximately 6,500 years has become the love of our lives.

The Great God that created the precious baby girl that you will tuck in bed tonight truly is a Father who possesses a heart of pure gold.

Holy Father, walk us in the light of Your Son Jesus Christ.

Walking in the Light of Christ
A song of Mark Berryhill

Jesus Christ is love. Jesus Christ is life. Jesus Christ is hope. Jesus Christ is our strength. Jesus Christ is our strong tower. Jesus Christ is our refuge.

Jesus Christ and His Spirit is the sparkle of light in the baby girl when she says I love you “daddy” for the first time.

Jesus Christ and His Spirit causes faithful fathers to carry disobedient children when it would have seemed easier to have looked the other way.

Jesus Christ is the way, the truth, the life and besides Him there is no other.

Jesus Christ is only a prayer away. If you need Him, give Him a call or if you just want to tell Him that you love Him and thank Him for everything that will be great also.

Jesus Christ, fill our hearts with Your faith, Your confidence and cause us to boldly proclaim Your Word throughout the whole earth.

Jesus Christ, we love You and we need You!

Jesus Christ, thank You for saving us!

Jesus Christ, thank You for healing us!

Jesus Christ, thank You for Your great discipline at the cross!

Jesus Christ, fill our children’s hearts with You!

Love is From God
A song of Mark Berryhill

Holy Ghost, in our lives there are struggles and obstacles, and yet the victories and success that you cause are priceless.

Holy Ghost, there is a world of children that need to know who You are!

Holy Ghost, help us to get to the children, and to get them taught Your pure Word every day!

Holy Ghost, cause these words to flow into our hearts as Your peaceful rivers flow from the high ground to the lowest of valleys.

Holy Ghost, may You be exalted as the Father, and the Son are exalted!

Holy Ghost, may You become loved as the Father and the Son are loved!

Holy Ghost, fill us with the Word of knowledge and the Word of wisdom.

Holy Ghost, mold these precious lambs of Christ Jesus with the skill You provide the brilliant surgeon as he so precisely repairs damage caused to a loved one.

Holy Ghost, cause Your love to flow from Heaven, even more wonderfully than as Your rain pours down from the dark gray overshadowing cloud.

Holy Ghost, as the precious blood ran down the cheeks of God's lamb while He was hanging on the cross, so let Your infinite love flow into our hearts.

Holy Ghost, so as the smile of a precious two year old baby girl touches our hearts with joy, so let our joy of seeking You be our reason for waking each morning.

Holy Ghost, so as the wind gently whispers as he glides through the gorgeous pine trees of the tallest of white capped mountains, so let Your voice be the lead of Your called-out children.

Holy Ghost, so as the great bear has captured his prey as his huge claws snatched the fish out of the running river, so let Your heart's goal be to win the heart's of Your children.

Holy Ghost, write love and joy into our hearts with Your finger, and erase hate and sadness from within our hearts.

Holy Ghost, let the brilliance and majesty of Your love be felt and seen from one side of the universe unto the other side.

Holy Ghost, as the anointed artist brings to life the beauty of the gorgeous untouched wilderness in his painting, so let the beauty of Your smile be ever present before our spiritual eyes.

True Faith
A song of Mark Berryhill

True faith in Christ produces hope for the seemingly hopeless.

True faith in Christ transforms hate into love.

True faith in Christ will cause Him to open windows of Heaven for you, and cause you not to have room for all of the blessings He bestows upon you!

True faith in Christ causes frowns to turn into smiles.

True faith in Christ makes one realize that the day of one's death is better than the day of one's birth.

True faith in Christ is a gift from the Father of lights, and comes through the diligent study of the greatest book that has ever been written, The Word of God.

True faith in Christ opens ones spiritual eyes and closes ones eyes toward the world.

True faith in Christ makes one realize the need to replenish the earth with children, and the importance of raising them as ministers and minister's wives.

True faith in Christ will cause joy in your heart when it would seem that there is no joy to be found.

True faith in Christ causes one to leap for joy and shout, Father; I love You with all that I am!

True faith in Christ makes one come to the final realization that Christ has everything under control, JEHOVAH is sovereign!

True faith in Christ transforms ones tears of sadness into tears of joy!

True faith in Christ makes us want to sing and dance and tell You that we love You, Immanuel!

Within the Heart of Man
A song of Mark Berryhill

Within the heart of man there are treasures untold.

Within the heart of man there is love which has yet to be explored.

Within the heart of man there are pictures of beauty which have yet to be painted.

Within the heart of man there is love which has yet to flow as the running rivers of the Almighty flow.

Within the heart of man there is love which neither gold nor silver can be compared unto.

Within the heart of man there is such great love and faithfulness that when he is called by JEHOVAH to sacrifice his life for a friend he will obey the Father's voice.

Within the heart of man there are pictures of silver and gold which have yet to be discovered.

Within the heart of man there are pictures of mountains that reach into the Heavens and valleys that reach down into the very heart of the earth.

Within the heart of man there is a desire to care for and share with the less fortunate.

Within the heart of man is the hope and determination for a better life because of our Lord and Savior Jesus Christ.

Within the heart of man there is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance.

Within the heart of man there exists a love and craving for the Creator which can only be described by stating, Father, we love You with all that we are!

Within the heart of man there is good and there is evil, and yet I pray that good will become the desire of the heart of each man.

Within the heart of man there is compassion and mercy because man is created in the likeness and image of a compassionate and merciful Father.

Within the heart of man is the hope for a future of beautiful children who will become tomorrow's kings and priests.

Within the heart of man the picture reveals a life full of joy seeking the Great I AM!

Within the heart of man the picture is revealed of an eternity spent in paradise with the Blessed Trinity.

Immanuel is Love
A song of Mark Berryhill

Love is a word too seldom spoken.

Love is a word that changed the world as the world was known.

Love is a word that expresses the beauty felt within the heart of a mother as she lovingly cradles her newborn baby girl!

Love is a word that expresses how a father feels about his precious and adorable four year old son as the son is humbly bowed down with clasped hands praying fervently to his Beloved Father!

Love is a word which brings forth unexplained joy into the hearts of those it is spoken to.

Love is a word which has the power of the flowing rivers of the Almighty which are roaring and racing after one of His mighty downpours.

Love is word which causes the hearts of young married lovers to leap with excitement and joy!

Love is a word that says we need You forevermore Immanuel!

Love is a word that causes us to continually thank the Father of lights for the greatest gift He has ever created, the newborn child.

A Child in a Manger
A song of Mark Berryhill

JEHOVAH's love for the children can be neither weighed nor measured.

JEHOVAH's love for the children is as the beauty of a precious little girl in a pretty new dress as she presents You with her most beautiful of smiles.

JEHOVAH's love for the children is as the artists painting, which brings to life the beauty of a fresh new day as God's brilliant golden sun rises in the east.

JEHOVAH's love for the children is as the artists painting which illustrates the brilliance of God's pink and golden sun as he sets in the far west.

JEHOVAH's love for the children is as a four thousand member band playing in perfect precision and harmony, glorifying the LORD of the armies of the angels of Heaven.

JEHOVAH's love for the children is as the beauty of a precious eight year old daughter as she recites the twenty-third Psalms from memory for her first time.

JEHOVAH's love for the children is as a scene of two precious little bunnies, one black and one white, hopping across the recently cut lawn.

JEHOVAH's love for the children is as the scene of a brilliant and beautiful musician as she pours her heart out to her God in song.

JEHOVAH's love for the children is as an eternal love which will cause His called-out children to pray for their little ones forever.

JEHOVAH's love for the children is as the beauty of love and humility demonstrated by a beloved four year old son.

JEHOVAH's love for the children is as the beat of a jockey's heart seconds before the opening of the horse races starting gate.

JEHOVAH's love for the children is as the beauty of the scene of a newly born baby girl being lovingly cradled by her first time mother.

JEHOVAH's love for the children is as the spiritual picture of our Father's smile which reaches from the farthest star of the west unto the farthest star of the east.

JEHOVAH's love for the children is as the scene of a dozen ducks excitedly playing on the lake during a crisp cold December morning.

JEHOVAH's love for the children is as the beauty of the song the wind sings as he races through the great pine trees of a beautiful wooded forest.

JEHOVAH's love for the children is as the picture of a new daddy holding his first born son ever so closely to his heart.

JEHOVAH's love for the children is as the scene of a precious newborn baby boy placed safely between his mother and daddy in a manger in the city known as Bethlehem.

JEHOVAH Deserves all of the Praise!
A song of Mark Berryhill

JEHOVAH is faithful and there is none with a pure heart as is with the heart of JEHOVAH!

JEHOVAH is great and there is none who can be compared unto JEHOVAH!

JEHOVAH is love and there is none who displays the beauty of kindness like unto JEHOVAH!

JEHOVAH created this magnificent universe and within His right hand ballerinas perform their most brilliant performances while concentrating on JEHOVAH!

JEHOVAH spoke and created light, and who breathed life into His son Adam as did our JEHOVAH?

JEHOVAH blesses us, loves us, and cradles us within His heart whether we are awake or asleep for this is the very character of our JEHOVAH!

JEHOVAH's gentleness causes butterflies to flutter as they seemingly perform dances of faithfulness to each other within the very palm of our LORD JEHOVAH!

JEHOVAH, with His gentleness, forms the beautiful and yet helpless child within the womb of the mother, and will carry the precious child all of her days because He is JEHOVAH!

JEHOVAH dwells in an unapproachable light, and yet He also dwells in darkness because there is none who can be likened unto our King the LORD JEHOVAH!

JEHOVAH's love for His children can not be expressed with the words that I write because He, our LORD JEHOVAH, created love, and that word is the very word that best describes JEHOVAH!

JEHOVAH, we love You, we need You, we praise You, and we glorify You, be Abba unto us forevermore LORD JEHOVAH!

JEHOVAH, transform the hearts and minds of these precious lambs into the likeness of Jesus Christ, and like unto you, LORD JEHOVAH!

JEHOVAH, let Your love and Your presence be felt from sea unto sea, and from the lowest of valleys unto the tallest of Your mountains LORD JEHOVAH!

JEHOVAH, help us to set the world on fire for Jesus, and cause our days to be spent walking beside You and talking with You, oh LORD JEHOVAH!

JEHOVAH, there is none as faithful as You, and we thank You from the farthest star of the west unto the farthest star of the east for Your great faithfulness unto us LORD JEHOVAH!

An Ornament of Grace
A song of Mark Berryhill

Jesus Christ is the light of the world!
Jesus Christ is the love within the hearts of His called-out children!
Jesus Christ is the hope for the hopeless!
Jesus Christ fills our hearts with joy because of His Word and our children!
Jesus Christ will never ever leave nor forsake His called-out children.
Jesus Christ created faithfulness, and within that very word His character is most accurately described!
Jesus Christ gave His life for you and for me because of His great love and faithfulness to His children!
Jesus Christ gently whispers, I love you My child, feed My precious lambs!
Jesus Christ stands tall between the cherubim's!
Jesus Christ stands tall between the tallest of the earth's mountains!
Jesus Christ is the Shepherd and Bishop of our souls!
Jesus Christ is the way, the truth, and the life, and besides Him there is no other!
Jesus Christ is eternal life!
Jesus Christ is eternal love!
Jesus Christ is the creator of life, the sustainer of life, and the giver of eternal life!
Jesus Christ, You are awesome and worthy to receive all of the praise!
Jesus Christ, thank You for the love, beauty, and goodness our precious children bring into our lives!
Jesus Christ, the same yesterday, and today, and forever!
Jesus Christ, thank You for an ornament of grace, and the crown of glory you wore for Your lambs!
Jesus Christ transforms tears of hurt and pain into tears of joy and love, walk with Him!

The Beauty of God's Eternal Spirit
A prayer of Mark Berryhill

The woman sitting on the porch of the old farm house has a face which appears as the face of an elderly Indian woman.

Her nose is large and her face is square in shape; because of her blessed ninety-nine years of life from her God, her skin remains to appear soft, and yet has begun to droop significantly.

The picture that I want to share with you about her is the picture that she always presented to me. She had one true desire in life, and her hearts desire was for everyone to know Jesus and His Word.

As one would converse with her, the conversation would inevitably be invested in what she loved most, or rather about who she loved most, Jesus Christ!

Father, thank You for great-grandmothers!

Father, thank You for the fervent prayers of great-grandmothers and their love for You!

Father, thank You for the great example my great-grandmother was to me and to each one of her family members!

Father, her great love for You can still be felt even within my heart!

Father, You are brilliant, and You deserve all of the praise, glory and honor!

Father, glorify Your holy name throughout all of the earth!

Father, thank You for our children!

Father, thank You for great-grandmothers who loved and served You with every fiber of their being!

The Beauty of Life
A prayer of Mark Berryhill

The farm is beautiful, and consists of many open fields with freshly cut green grass.

There are numerous ponds filled with fish, and creeks which run various routes throughout the picturesque and tranquil terrain.

The magnificent and huge lake is within a rocks throw from the old farm house which is called the old home place.

A huge tree which was struck by one of God's arrows of lightning and fallen creates what appears as a beautifully designed wood bridge.

Small, medium sized and large trees surround what is known as the old home place, and are populous along the gentle flowing creeks.

A picture introduced by God shows a young man walking through a field with a precious little fluffy white lamb cuddling next to the man's leg and apparently craving all of his attention.

At the far side of one of the fields are two huge bulls and a cow. Each of them are brown in color and of great strength and excellent health.

Fences surround the property merely to keep the cattle from straying onto someone else's property or from entering onto the nearby highway.

The beauty of God's brilliant creation is too often taken for granted. May we learn to fully appreciate the brilliance of His genius.

Life is a race which passes so quickly and yet if we run the race investing everything for Christ, we suddenly discover an indescribable joy for living!

We are created for one reason, and that reason is to serve our Lord Jesus Christ with all that we are!

Father, thank You for these fearfully and wonderfully made lambs!

Father, teach us how to love You with every fiber of our being!

Father, may Your face be ever present before our spiritual eyes!

Abba, Abba
A song of Mark Berryhill

Elohim let Your words of beauty flow from Heaven as Your rivers flow from the high ground to the lowest of valleys!

El Shaddai, as You saved Your son Isaac from the knife which was placed within Your friend Abraham's hand, so save our great nation!

Adonai, so as You rewarded Abraham's great faithfulness and obedience to Your voice in offering Isaac as a sacrifice unto You, reward us for Your Son's discipline at the cross by opening our spiritual eyes, and training our spiritual ears to know Your voice!

Yahweh, bless the works of our hands, and bless the works of our children's hands.

JEHOVAH, You are our life and light, and to serve You is our very reason for existence!

As the American Bald Eagle soars on the wings of the angels of the Everlasting Father, so let our love for You soar with You eternally!

J.A.H., as You ride upon the wind and as You glide from one side of the universe unto the other, so let Your eternal love for Your lambs break through into their hearts and minds, and comfort them forevermore!

He is just a prayer away, and if you are in need call Him, His name is Wonderful Counselor!

The thunder roars and the Lion of Judah utters His voice, I love the children, I love the children, I love the children!

Prince of Peace, thank You for the peace that You bring into our lives!

He is the Beginning and He is the End, He is Alpha and Omega!

Worthy to be praised is the Lamb of God, for He and He alone won the race for mankind!

JESUS CHRIST, thank You for Your Word, for Your Holy Spirit and for our lambs!

Abba, touch our hearts with the eternal fire of Your finger, and set the ship on course for eternal life!

JEHOVAH, JESUS and the HOLY GHOST

A prayer of Mark Berryhill

JEHOVAH, JESUS and the HOLY GHOST are undefeatable!

JEHOVAH, JESUS and the HOLY GHOST are the righteousness of our lives!

JEHOVAH, JESUS and the HOLY GHOST sing songs of beauty and raindrops
begin pouring down from Heaven above!

JEHOVAH, JESUS and the HOLY GHOST are the joy of life!

JEHOVAH, JESUS and the HOLY GHOST give us our best friends!

JEHOVAH, JESUS and the HOLY GHOST cause pine trees to grow tall and
beautiful!

JEHOVAH, JESUS and the HOLY GHOST created everything beautiful and
we must learn to enjoy their creation!

JEHOVAH, JESUS and the HOLY GHOST place love in hearts which were
once hard and calloused because of life's cares and burdens!

JEHOVAH, JESUS and the HOLY GHOST will soon cause you to love these
precious lambs the way He does!

JEHOVAH, JESUS and the HOLY GHOST possess the heart of gold!

JEHOVAH, JESUS and the HOLY GHOST anoint musicians with such great
talent, take notice of them, better yet; maybe you are one of them!

JEHOVAH, JESUS and the HOLY GHOST, are all powerful!

JEHOVAH, JESUS and the HOLY GHOST will train these precious lambs in
the Spirit!

JEHOVAH, JESUS and the HOLY GHOST are to be exalted because they are
worthy!

hearts and minds of our children!

Victory at the Cross
A prayer of Mark Berryhill

Lord Jesus, what did You see as You hung from the cross known as Calvary?

Lord Jesus, what went through Your mind as You hung from the cross known as Calvary?

Lord Jesus, as tears of agony flowed down Your cheeks as running rivers of water, how great was the joy You experienced at the victory of the cross?

Lord Jesus, as blood gushed from the holes in Your forehead caused by cruel thorns, explain to me how great it was knowing that You had become the CONQUERER?

Lord Jesus, how much joy entered into Your heart as You proved to the world that no greater love has any man than to lay down his life for the ones he loves!

Lord Jesus, as You hung on the cross did You see Your rich blood redeeming the Father's lambs back unto Him?

Lord Jesus, as You hung on the cross did You ever dream that so many precious little lambs would love You so much?

Lord Jesus, as You hung on the cross did You see the precious little girl two thousand years later tell her daddy with great pain in her heart that the mean men had crucified the Lord she loves!

Lord Jesus, thank You for giving Your children hearts of gold and hearts of silver!

Lord Jesus, thank You for the eternal victory You won at Your cross!

Lord Jesus, as You dwell in an unapproachable light, so may Your Spirit dwell in our hearts!

Jesus and a Helping Hand
A song of Mark Berryhill

Jesus extended the helping hand to the brother in need while every one else pretended not to see the brothers needs.

Jesus went to the cross because His love for you is immeasurable.

Jesus saw eternity conquered while hanging on the cross known as Calvary.

Jesus wants you to love Him with all of your heart, with all of your soul, with all of your mind and with all of your strength.

Jesus wants you to know that He will never leave nor forsake you, He is faithful and He is true.

Jesus, thank You for these precious children that You have entrusted us with.

Jesus, thank You for the memory of seeing great-grandmothers studying their Bibles on the front porch of their little farm houses.

Jesus, thank You for the Christmas season, I pray that You will cause every day to be celebrated and set apart as Your day!

Jesus, I pray that You will love these precious lambs with all of Your soul, with all of Your mind, and with all of Your strength.

Jesus, let Your presence and love for these children be felt and demonstrated from sea unto shining sea!

Jesus, teach us to be the friend who extends the helping hand to the brother in need while the others pretend not to see that he is in need.

In the Footsteps of Christ
A song of Mark Berryhill

When hope is almost lost and there seems to be no where to turn, wait on the LORD.

When expenses are running at a faster pace than income, consider that wisdom is better than gold and understanding is more valued than silver.

When the man who appears to be of great wealth because of his earthly possessions, consider that eternal life with the Father is the only true great possession.

When a person earns a fortune and then loses a fortune, consider that the only goal worth investing your time in is saving souls.

When the world tells you that it is alright to drink, tell the world that John the Baptist did not.

When the world tells you that using tobacco won't hurt you, go visit your precious brother who is in the hospital dying of the cancer that is ravaging his body.

When the world tells you that sex outside of marriage is acceptable, tell them that adulterers will not inherit the kingdom of God.

When the world tells you that you don't need to study God's Word DAILY, let your voice ring forth to the world, Christ and His Word is my DAILY life.

When your best friend has lost hope because death for Him is just a step away, consider that at death the Victor of Eternal life will be there for you with open arms!

When you loan to the poor, consider that you are loaning unto the Lord.

When you wake up and realize that your life has passed you by, and you didn't serve Christ DAILY, consider and tell your children not to follow in your footsteps.

When you are having a perfect journey with your LORD here on earth, consider that as it is in Heaven so shall it be on earth.

The Beauty of America
A song of Mark Berryhill

Father, cause our lives to be invested in the diligent daily study of Your Word.
Father, cause our hearts to be filled with Your love and with Your knowledge.
Father, cause our hearts to beat with Your heart.

Father, cause our children to know You the way no other generation of children
have ever known You.

Father, cause the beauty of Your smile to rest upon this great nation we call
America.

Father, cause the hearts of our children to beat with Your heart.

Father, cause Your face to be what we seek from the rising of the sun until the
setting of the sun.

Father, cause husbands to love their wives, and wives to love their husbands as
You love Your church, which is Your lambs.

Father, bless the works of our hands, and bless the works of our children's
hands.

Father, let Your love flow from Heaven as You cause the great down pour of
rain.

Father, we bless You, we love You and we glorify You because You are our all
in all.

Father, thank You for the gift of the child, thank You for the Messiah.

Father, thank You for talents yet undiscovered.

Father, thank You for friendships that are yet unknown.

Father, thank You for love, life and most of all, thank You for redeeming us
back to You by the blood of the lamb.

JEHOVAH is Love II
A prayer of Mark Berryhill

JEHOVAH reigns over the universe because no other can rule over the universe as does JEHOVAH!

JEHOVAH is Father of all because He is worthy to receive all of the praise, glory, riches and honor because He and He alone is worthy to be called JEHOVAH!

JEHOVAH is love and the Creator of love because love transformed means JEHOVAH!

JEHOVAH spreads forth forgiveness because no other loves you enough to offer His own Son as did the LORD GOD JEHOVAH!

JEHOVAH gives hope to the seemingly hopeless because for a moment as His Son hung on the cross hopelessness was felt in the heart of JEHOVAH!

JEHOVAH cares for you as He does for His own Son for no other understands true love as does JEHOVAH!

JEHOVAH sheds forth joy into the hearts of His people because to give joy to His people places joy in the very heart of JEHOVAH!

JEHOVAH turns hate into love, and frowns into smiles because love and happy are two words which most accurately describe the Great LORD JEHOVAH!

JEHOVAH reaches down from Heaven by the power of His right hand and offers salvation unto the world by the blood of a worthy lamb who is the prized possession of the LORD JEHOVAH!

JEHOVAH is the light of the world, and no other has ever spoken and created light as did our LORD JEHOVAH!

JEHOVAH and His Word offer everything that we need in life because in the beginning as with God and the Word was the LORD GOD JEHOVAH!

Christ's Love is His Power
A song of Mark Berryhill

Jesus Christ sheds forth love into the hearts of his children because His unfathomable love cannot be contained.

Jesus Christ offers forgiveness to the sinner because He came to save the lost of the world.

Jesus Christ will clothe His children in humility and will furnish us with great compassion.

Jesus Christ taught and lived kindness and gentleness because kind and gentle are two words which most accurately describe His character.

Jesus Christ, cause our faith to be as the faith of the Blessed Trinity's faith, and let our faithfulness to You be as Your faithfulness to our Father.

Jesus Christ, we love You and we thank You for Your great mercy which reaches from the farthest star of the north unto the farthest star of the south, and from the farthest star of the east unto the farthest star of the west.

Jesus Christ, cause us to walk in perfect unity, and cause us to love each other with the true love that You love us with.

Jesus Christ, cause the very steps of our thoughts to be under total submission and control of the Holy Ghost.

Jesus Christ, cause our ears to listen often and our lips to speak seldom.

Father God, thank You for the resurrection of Your precious Son Jesus Christ!

Jesus Christ, anoint these precious lambs with the spirit of evangelism.

Jesus Christ, seeking You is fun and has become our very reason for living.

Jesus Christ, let our lives be totally devoted to the diligent study of Your Word.

Jesus Christ, let our lives be invested in the helping of others through our prayers and with our money and time.

Jesus Christ, thank You for listening to and answering our prayers.

Jesus Christ, thank You for the gift of fasting.

Jesus Christ, teach us to love You and fear You as no other generation of Your people ever have.

Father God, thank You for the gift of the Holy Ghost.

Blessed of J.A.H.
A prayer of Mark Berryhill

JEHOVAH breathed life into Adam and JEHOVAH saw that His creation was good and that His called-out children would infinitely call unto Him as the LORD JEHOVAH.

JEHOVAH has a heart that is as delicate as the petals of beautiful roses which JEHOVAH himself creates, and the prayers of His saints are the pleasant fragrance which accompanies the same elegant white, red, orange and yellow roses created by the LORD JEHOVAH.

JEHOVAH and His innumerable company of angels are always prepared for peace and war, and JEHOVAH commands the armies of the angels of Heaven as compared to the display of the grace and beauty of a ballerina as she has just performed her greatest performance ever for her LORD JEHOVAH.

JEHOVAH sheds forth love, joy and goodness into the hearts of his children because within the heart of JEHOVAH love, joy and goodness ring out His own great name, the LORD GOD JEHOVAH!

JEHOVAH possesses great power because hell belongs to JEHOVAH, and yet His hearts desire is for each child to spend eternity with the Great LORD JEHOVAH!

JEHOVAH is love and love translated means JEHOVAH and His love can be neither contained on the earth nor in the Heaven which are both owned by the LORD JEHOVAH!

JEHOVAH and His children are one in JEHOVAH and the one true daddy of the human race is the LORD GOD JEHOVAH.

JEHOVAH walks in the oceans and rides on the clouds using the name J.A.H., because He is the Creator of the poets who with the gift of writing glorify the Father, the LORD GOD JEHOVAH!

JEHOVAH, You live in the very hearts of Your called-out children because LORD JEHOVAH, the only true good ever brought forth into this world is the precious lamb of our LORD GOD JEHOVAH!

JEHOVAH weeps and tears of joy run down His cheeks as do the great running rivers after the LORD JEHOVAH's down pours of rain and I hear Him softly whisper, My precious child, My love for these children can be neither weighed nor measured, it is immeasurable as I AM!

Beauty of Love II
A song of Mark Berryhill

Love is flowing from Heaven as do God's great rivers flow after His downpours of rain.

Love can be easily spoken and easily written but by the actions of people, motive of hearts are weighed.

Love and the true meaning of love was most accurately defined and demonstrated by a King who hung on the cross for His called-out children.

Love is the most powerful word known to mankind and love translated means JESUS CHRIST.

Love and the fulfillment thereof is why you and I came into existence and the reason the children are the great reward of the Almighty Father.

Love is proven by lending a hand to those in need while others pretend to not see the need of others.

Love is the reason God created the universe and the race referred to as mankind.

Love is demonstrated to others not by the mere speaking of the word; it is demonstrated by the true giving of one's heart to and for another person.

Love and its meaning is as the picture of a newly married couple who will ever presently have the cross of Christ before their spiritual eyes.

Love and the meaning of love is as the precious newborn baby girl who is being lovingly cradled by her mother for the first time.

Love is as James 1:27 states, "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."¹

Love is the keeping of the commandments of our Almighty Father, and hearts motivated by love always outweigh following the letter of the law.

She will be Named Faith
A song of Mark Berryhill

Holy Ghost, thank You for living within the hearts of the Fathers called-out children.

Holy Ghost, thank You for the joy and comfort You bring into our hearts as we seek the Blessed Trinity.

Holy Ghost, may You become loved and adored as the Father and the Son are loved and adored!

Holy Ghost, may the world come to know the Father who never rests from caring for His called-out children.

Holy Ghost, may our lives and the lives of Your called-out children be invested in the diligent daily study of Your Word!

Holy Ghost, thank You for loving us as the Father and the Son love us.

Holy Ghost let the beauty of Your smile rest upon this beautiful nation known as the United States of America!

Holy Ghost, each day let the greatness of Your love be talked about from the opening of our eyes until the closing of our eyes.

Holy Ghost, let the joy and comfort that You bring into our lives be tasted by our precious lambs, days, months and years without end.

Holy Ghost, look at the beauty of the smile of the inquisitive precious baby girl clothed in the bright pink coat on this so very frigid day.

Holy Ghost, thank You for the spiritual growth we are enjoying in this blessed nation.

Holy Ghost may the brilliance of Your light shine majestically before the eyes of Your saints even unto the end of the world.

Holy Ghost, it is time for You, the Father, and the Son to go to work.

Holy Ghost, we love You, we adore You, we glorify You, and we need You in all that we do!

Holy Ghost, increase our faith and may You bless us with faith as faith as the Blessed Trinity's faith!

Holy Ghost, train our minds to walk in perfect precision and harmony with Your mind!

Holy Ghost, may knowing the Sword of the Spirit become the reason for the very existence of mankind.

Holy Ghost, cause the American Bald Eagle to soar on the wings of the angels of the Everlasting Father!

The Joy of Life
A song of Mark Berryhill

An increased faith in Christ and spiritual prosperity is the ultimate goal for each one of God's called-out children.

An increased love for the Father, the Holy Ghost and each other is the prayer of this blessed child of God.

An increased knowledge and understanding of God's Word will become the very reason for the existence of Christ's lambs.

An increased awareness of the constant spiritual needs of our precious lambs is a must in this generation where the most valuable commodity is time spent with Christ and His Word.

An increased awareness of the constant needs of orphans and widows, and the need of keeping oneself unspotted from the world.

An increased hope for the fulfillment of Christ's Great Commission.

An increased awareness of the comfort and joy shed forth into the hearts of God's children by the Holy Ghost.

An increased awareness to the world that the true ministers of Christ are the mothers, daddy's, teachers, principals and administrators who raise Christ's lambs in the daily admonition and nurture of the LORD.

An ever increasing realization of the beauty of God's creation and the ever present reality of the correct decision to serve Him whole heartedly and daily.

An increased understanding of God's infinite love and faithfulness to His called-out children.

An increased awareness of the fact that for every action a reaction follows.

Holy Father, cause the motive and action of our hearts to be to feed Your precious lambs Your Word every day.

Holy Father, cause the world to know that the strength and wealth of our nation is YOU!

Jesus Christ's Eternal Love
A prayer of Mark Berryhill

Love can melt hearts that are filled with anger, and nothing comforts hearts which have been hurt as does Jesus Christ's eternal love.

Love will change the world for Christ and nothing can comfort as does Jesus Christ's eternal love.

Love is knowing that you are saved because your Father created Jesus Christ's eternal love.

Love and mercy walk hand in hand as do the hands of a newly married couple who will forever be aware of Jesus Christ's eternal love.

Love and children are the Father's greatest gifts to His people, how could we ever question Jesus Christ's eternal love?

Love, parents, grandparents and the power of the Holy Ghost will open the world's eyes to Jesus Christ's eternal love.

Love is best described by the painting which reveals a mother holding her newborn son, and in her confidence knowing that he is protected by Jesus Christ's eternal love.

Love and faith are the two words which will cause the world to be set on fire by Jesus Christ's eternal love.

Love and joy can be compared to the beauty of God's creation as he begins to bloom this very season which also exquisitely demonstrates Jesus Christ's eternal love.

Love and faithfulness are the two words which best describe the character of our Father, and His proof is the victory won at the cross by Jesus Christ's eternal love.

Love is what is experienced by a mother as she watches her adorable daughter mature into a beautiful woman of God who is fully aware of Jesus Christ's eternal love.

Love is what is experienced by a father as he watches his precious son mature into a man with the mind of Christ who fully understands Jesus Christ's eternal love.

By the Love of Christ
A prayer of Mark Berryhill

How can men acquire the mind of Christ?
How will our every thought become the Word of God without intense daily memory work?
How will love ever be truly perfected if we do not learn how to give our lives for the other person?
How will Christ's children conquer the world without total submission to the Holy Spirit?
How will hearts that are filled with pain be changed into hearts that are filled with joy?
How can wisdom be acquired without diligently studying the book which was written by the Creator of wisdom?
How will a young man know the difference between good and evil without having the Sword of the Spirit written onto his heart?
How will a person know that true joy comes from freely giving one's heart for the other person?
How can we fully enjoy life without constantly praying?
How can the American Bald Eagle soar on the wings of the angels of the Everlasting Father without diligent fasting by the American people?
How can we say I love you and not lend our heart when the other person is in need of a true friend?
How can we fully comprehend love without having the cross of Christ ever presently before our spiritual eyes?

Father, Son and Holy Ghost

A song of Mark Berryhill

God causes joy to overflow in the hearts of His children, and the laughter of children brings joy into the heart of God.

God is love and He came to seek and save the lost because a pure and perfect heart is the heart within our Father God.

God created the beauty of the universe in six days and rested on the seventh day, His omniscient presence and unmatched power are just two reasons to call the LORD your God.

God created the love that exists within His children, and there is no other who deserves all of the praise, glory, honor and power as does the Almighty God.

God blesses and blesses and blesses because it is better to give than to receive, and for Him to have one more precious child praying unto Him makes His heart leap with joy, He is God.

God desires for us to be happy and filled with joy, and the true joy of living is found in diligently and daily seeking the face of JESUS.

God the Father, the Lord Jesus Christ, the Holy Ghost and the Word will become engrained into the very hearts and minds of the children of God.

God offers eternal life to the people of the world through the blood of a precious lamb that was found without blemish because true love was created by JEHOVAH.

The vision reveals Christ standing on the earth with outstretched arms, and as His head is tilted upward toward Heaven, He prays without ceasing for each child of the Most High God.

Christ's universe and the brilliance thereof manifests His glory, and yet the gifts of love and children are the greatest gifts of JESUS CHRIST!

Love and Unity

A song of Mark Berryhill

How much does Jesus Christ love you?

Are you truly willing to lay down your life for your brother?

Will you and I obey the words which are written in the Gospel of Jesus Christ?

When the King knocks on your door and asks for you to do a favor for Him,
will you obey His voice or pretend as if you didn't hear Him?

The beauty of the lake brings joy into our hearts, and the singing of the birds
offers a new melody to our ears.

The guitarist strums his guitar with precision and the song he sings about
JESUS echoes through the canyons of the same lake, and causes the waves to
suddenly appear as if they are dancing.

The beginning of summer sheds forth and intensifies the beauty of God's cities
throughout this great country known as the United States of America.

Old leaves have recently fallen from the last freeze and life now blossoms forth
before our appreciate eyes.

The aroma and beauty of God's roses share a small glimpse of what paradise
with our Father will be like.

The vision reveals precious young girls clothed in dresses of beauty, they are
dancing in perfect unison and their song flows even through the distant mountains.

The words of their song resounds, JESUS, we love You, JESUS, we need You,
JESUS, You are our joy and our hope.

The vision reveals young boys clothed in khaki pants, blue button down shirts,
and nicely designed matching shoes.

They are singing in perfect unison and their words also flow through distant
mountains, JESUS, we love You, JESUS, we need You, JESUS, You are our joy
and our hope.

God blesses love and unity, and helping other people to manifest their talents is
a great joy.

A song of Mark Berryhill

Jesus is the light of the world, and He always will be.
Jesus is the love in your heart, and He always will be.
Jesus is the King of kings and the Lord of lords, and He always will be.
Jesus is the breath of life, and He always will be.
Jesus is faithful and He always will be.
Jesus is the ruler over Heaven and earth, and He always will be.
Jesus is love, light and life, and He always will be.
All praise, glory and honor to God the Father, the Lord Jesus Christ, and the
Holy Ghost.

In the name of the
Father, the Son and
the Holy Ghost

Amen and Amen
