A Tear of Joy
A prayer of Mark Berryhill

Holy Ghost, thank You for living within the hearts and minds of the children of Jesus Christ!

Holy Ghost, thank You for the joy and comfort that You bring into the hearts of the children of Jesus Christ!

Holy Ghost, thank You for life and thank You for the great victory won because of the blood of Jesus Christ!

Holy Ghost, thank You for the love and power that You bring into the hearts of the children of Jesus Christ!

Holy Ghost, we want to sing and dance and tell You that we love You as we love Jesus Christ!

Holy Ghost, may our children be made to know Your great faithfulness, and the infinite love of Jesus Christ!

Holy Ghost, let us not love one another in word only, but let us love one another with the true love of Jesus Christ!

Holy Ghost, let forgiveness always be readily found in our hearts as it is with our Lord Jesus Christ!

Holy Ghost, reach down from Heaven and place these precious lambs into the heart of our King, Jesus Christ!

Holy Ghost, let peace and prosperity flourish throughout the United States of America, and may the hearts and minds of these precious lambs be the dwelling place of Jesus Christ!

Holy Ghost, we love You, and we adore You, come heal our land because of the beauty of the prayer of an adorable four year old baby girl.

Holy Ghost, by Your power set an erring world back onto the pathway of righteousness and holiness for Jesus Christ!

Holy Ghost, life is wonderful because of You!

The Beauty of Christ
A song of Mark Berryhill

The beauty Jesus brings into the everyday lives of His people is as a painting the brilliant artist has just completed by bringing to life the rising of the majestic sun!

The beauty Jesus brings into the hearts of His children is as the rapid flowing river as it races from the tallest of snow capped mountains to the lowest of the valleys!

The beauty Jesus offers His most recent convert is a life full of joy, and an eternity spent with the Blessed Trinity in paradise!

The beauty Jesus causes our hearts to know because of His eternal care is as the painting of a young boy softly calling unto His daddy whom he knows will always be there for him!

The beauty Jesus causes His children to know in their hearts is as the picture of sky reaching mountains of the far north, and of the beautiful and varied types of wild animals of God's creative creation!

The beauty Jesus sheds forth into the hearts of His children is as the joy a young man and young woman experience as they say "I do" and kiss!

The beauty Jesus causes in the hearts of His children is most magnificently demonstrated by the beautiful babies brought forth from the union of faithful mothers and daddies who said "I do."

The beauty Jesus brings into the hearts of His children is as the painting in which the cheetah effortlessly out runs the storm that is seemingly pursuing her!

The beauty Jesus brings into our hearts is as the rain from Heaven which produces the food for these precious babies!

The beauty Jesus brings into our lives is as a picture of the refuge which is provided for the seemingly helpless and hopeless!

The beauty Jesus brings into the hearts of His children is as the picture of a great herd of elephants moving from their old location to their new location!

The beauty of Jesus is as the painting of the American Bald Eagle as he soars on the wings of the angels of the Everlasting Father!

The beauty of Jesus is as the painting that reveals a mother as she gently cradles her newborn baby girl for the first time!

Messiah
A prayer of Mark Berryhill

Messiah sits on the throne because He obeyed His Father's voice and laid down His life for the ones He loves.

Messiah utters His voice and the Heavens shutter as when the wind of the hurricane of destruction makes his way to an isolated island.

Messiah is King because his love for you reaches from everlasting to everlasting.

Messiah makes prayers a reality because His Spirit leads the prayers of His children.

Messiah clothes the flowers in dresses of velvet, and forms these precious babies in the wombs of their mothers with His skillful and yet delicate hands.

Messiah causes dolphins to soar through the air with grace and ease, and His teachings will control the world forevermore.

Messiah watches over the cattle of the north, south, east and west, and He caused our dinner plates to overflow for days without end because of His enduring goodness.

Messiah softly whispers to me and says, "The love I possess for these precious children can be neither weighed nor measured, it is immeasurable."

Messiah is filled with joy when His lambs are fed His Word daily, and He is filled with anger when they are not.

Messiah sheds forth love and grace into the hearts of His children because His love and His grace for His called-out children is infinite.

Messiah spoke seldom because the Holy Ghost and wisdom dwelt with Him, and His words are the words of eternal life.

Messiah can take the worst of sinners and make them His shining stars.

Messiah can take hearts that are broken and turn them into hearts of gold and hearts of silver.

Dresses of Velvet
A prayer of Mark Berryhill

The wife is on a short journey and while she is away, her husband prepares gardens of flowers for her return.

The flowers are beautiful and clothed in velvet dresses of different colors.

As we look upon the brilliant colors of the flowers, joy is shed forth into our hearts by their overwhelming beauty.

The husband toils for the duration of the day, diligently arranging the flowers for his wife's return.

To see the joy expressed by the mans wife as she returned and saw the flowers made my heart leap with joy.

Father, thank You for being a God of romance.

Father, thank You for husbands and wives who continue to be in love with each other after twenty years of faithful marriage.

Father, thank You for husbands who love their wives, and for wives who love their husbands as You love Your called-out children.

Lord Jesus, thank You for the beauty of recently born puppies that make our days just a little bit brighter.

Father, thank You for pine trees that reach into Heaven and sing songs of beauty as we walk by them.

Father, thank You for life and for the joy that living for You brings into our hearts.

One Nation under God
A song of Mark Berryhill

God blesses unity, and spiritual gifts are manifested because of obedience to His Word and His voice.

God is to be exalted by everyone because He is the Creator of all things.

God is to be loved and adored because our sins were nailed to the cross with His precious Son.

God is sovereign, and for Him to transform our schools into the greatest daily training facilities of His Word is as simple for Him as to speak and create light.

God is love, and for Him to transform the nations of the world into the United States of America is a worthy goal.

God desires for our children to become great men and women of faith, therefore their hearts must be nurtured daily with His Word.

God's enemy came to kill, steal and destroy, and yet by the power of the Holy Ghost we will protect Christ's lambs from being devoured by the subtlety of the enemy.

God rides on the clouds, and walks in the oceans using the name J.A.H.

God is the Creator and sustainer of life and through faith in the blood of His Son, there is eternal life.

God the Father, the Lord Jesus Christ, and the Holy Ghost are victorious. Follow the righteous pathway of the Trinity.

God is pleased with those who exalt and obey Him, and He is filled with wrath against the non-believers of this world.

God is but a prayer away, if you are in need, call unto Him and before you finish praying, He will be there with you.

God is a God of hope, and for Him nothing is impossible.

A Cross of Love
A song of Mark Berryhill

Love causes a young man's heart to race as his future bride walks into the room, and yet the bride's heart races as does his because she also is in love.

Love brings sinners to the foot of the cross, and Jesus Christ can be likewise spelled love.

Love is meant to be for eternity, and the proof of our Father's goodness is Jesus Christ's victory at the cross of love.

Love causes the twinkle in our own eyes as we see our baby boys and baby girls begin opening their Christmas presents once again, and experience that giving brings forth love.

Love is defined by parents who understand the importance of feeding Christ's lambs in our public schools daily, and faith in Christ is produced in us by His love.

Love causes young lovers to see stars as they kiss, and precious newborn baby girls and baby boys are the result of love.

Faith in Jesus comes from the Holy Ghost, and through the diligent study of God's Word love begins walking hand in hand with faith.

Faith is passed down to children from parents of faith, and yet the grandparents also play such a vital role in the continuation of faith.

Faith in Jesus Christ causes our hearts to dance, and the joy His love and faithfulness brings into our lives creates even more faith.

Hope is shed forth into our hearts because of the love of a precious lamb that was found without blemish. Jesus Christ is the Creator of hope.

Hope is brought forth to the ears of stranded and near dead people of a shipwreck as they hear the rescue helicopters finally approaching; they now understand the definition of hope.

Hope is a word of beauty, and beauty is created by hope.

Love, Faith, Hope
A song of Mark Berryhill

Love reigns within the heart of our Father, and His grace blossoms forth throughout America as His smile rests upon this great land.

Love is the reason that our Father created the universe, and also the reason why He sent His precious Son Jesus.

Love is the reason a precious and adorable newborn baby girl takes her first look at light as she departs her ready mother's body.

Love is turning the other cheek when retaliation would seem as the appropriate action to be taken.

Love is forgiving the other person when the other person asks to be forgiven, and even when they don't.

God is love and His love will never be taken from you because of His great faithfulness.

Love causes newlyweds to dance under the moonlight even until the rising of God's sun.

Love says yes to good and goodness, and no to evil.

Love is so accurately demonstrated by the painting which reveals the great grandmother as she rocks on the porch of her 100 year old farm house with God's Word grasped ever so tightly in her hands.

Faith in Christ and in His power is how the world will be won for Him.

Faith makes us to know that our Father will never leave nor forsake us.

Faith in Christ places confidence and love into the hearts of His children, and turns frowning faces into smiling faces.

Hope is what is sent forth to the people who have found themselves in seeming hopeless situations.

Hope, and the guarantee thereof, is given to Christ's children because of His great faithfulness at His cross.

Hope is given by God's children to the less fortunate of the world as His Word is spread throughout the world.

Hope is a word of beauty that creates beauty in the very hearts of its readers.

Hope, and our faith in Jesus Christ, will win the world for Him, and as is the painting of a little boy who has both arms lifted high in a confirming sign of His confidence in his Christ.

A Tender Heart
A song of Mark Berryhill

Have you considered how beautiful the smile of a precious daughter truly is?
Have you considered the tender heart that resides within the precious Son?
Have you considered how much love God bestowed upon mankind at the cross of
His Son?

Have you considered how beautiful life truly is?
Have you considered how much energy God exerts for the human race to exist
each day?

Have you considered that without God as our focus life is meaningless?
Have you considered that with God as our focus, living is a joy surpassed by no
other?

Have you considered that the reason for our existence is to feed Christ's lambs
daily?

Have you considered how much God loves you?
Have you considered that God willingly offered His precious Son for you and
your sins because of His enormous and infinite love for you?

Have you considered how wonderful it is to watch God's sun rise this very
morning?

Have you considered that by the power of Christ's love, and by your faith in Him,
you can win the world for Him?

Have you considered that prosperity is to love your Father with all of your heart,
soul, mind and strength?

Have you considered that prosperity is to love your neighbor as you love
yourself?

Have you considered the beauty of God's sun as he sets today?

Have you considered that love and life were created by a genius who goes by the
name El Shaddai?

God is Love II
A song of Mark Berryhill

The love the Almighty possesses for you can be neither weighed nor measured, it is immeasurable!

The love that God bestowed upon mankind at His cross can not be expressed with even the most brilliant of words known to the human race!

Let no man or woman resist the love that Christ has bestowed upon them!

God's love is not a love that is taken away, His love is a love that grows even stronger as we draw nearer to Him!

Father, my prayer is that these precious children in this nation and throughout the world will be taught by Your Spirit to truly love You with every fiber of their being!

Father, continue to let Your smile rest upon this great land, and cause Your wisdom and knowledge to be shed forth into the hearts of these precious lambs.

Father, raise up laborers for the harvest, for the laborers are few but the harvest is great.

Father, thank You for kittens which show us how tender our children's hearts are as they gently cuddle them.

Father, bless these precious lambs with Your love and with Your grace, cause their days to be invested in the diligent daily study of Your Word.

Father, we love You, we need You, we adore You, and we glorify You!

Father, as the lake cools and refreshes us on a hot summer day, so let Your Spirit refresh the hearts and minds of Your children.

Father, thank You for the gift of life, and for the gift of love.

Father, thank You for the two precious newborn babies who were just shown to me.

Father, thank You for the love and goodness that our children bring into our hearts.

Father, I see the blood as it pours from the thorns which are placed in the head of Your precious Son, and I say, "Why my Lord?"

Father, thank You for the blood of Your precious lamb which covers the sins for Your children throughout infinite!

Father, thank You for the greatest victory that will ever be known to the human race, the love shed forth by JESUS CHRIST at His cross!

God with Us II
A song of Mark Berryhill

Jesus causes our hearts to be filled with joy and goodness, and the most wonderful name in the human language is Jesus.

Jesus creates these precious and beautiful children in the wombs of their mothers with His skillful and delicate hands because love translated means Jesus.

Jesus causes the flowers to bloom with colors of brilliance, and makes the dry and barren land to bring forth food for His children because no one loves His children as does King Jesus.

Jesus, we love You, we adore You, and we need You, may You become the very reason for the existence of Your children Lord Jesus.

Jesus, thank You for nice homes, nice vehicles, and plenty of food, cause our eyes to be totally focused on serving You Lord Jesus.

Jesus, thank You for the free gift of Your eternal grace, and for the precious and appreciated gift of our lambs Lord Jesus.

Jesus, thank You for Your faithfulness and for Your unfailing love, Immanuel.

Jesus, thank You for the sun, moon and the brilliant racing stars; thank You for day and for night, Prince of Peace.

Jesus, as the baby birds crave the attention and nurturing of their mother, so may our children crave Your Word days, months and years without end, Wonderful Counselor.

Jesus, thank You for green pastures covered with morning dew and thank You for the gift of intimacy between husbands and wives, Creator of life.

Jesus, bless the works of our children's hands forevermore, and may You be glorified in the days of new, even as in the days of old, I AM THAT I AM.

Laughter of a Child
A prayer of Mark Berryhill

Holy Ghost, life is precious, and the gift and beauty of children brings joy and goodness into our hearts.

Holy Ghost, according to Your Word, for us to love You and each other is the fulfilling of Your law.

Holy Ghost, in life there are difficulties and obstacles, and yet by our faith in You we will overcome the world for Christ.

Holy Ghost let the children of the world be the apple of Your eye.

Holy Ghost, may You become loved and adored even as the Father and the Son are loved and adored.

Holy Ghost, thank You for rain and food.

Holy Ghost, thank You for Your great faithfulness!

Holy Ghost, as the sound of racing rivers, after one of God's downpours of rain, so let Your Word and voice be our guide.

Holy Ghost, train our spiritual ears to discern Your voice even as our King while He was here on this beautiful land known as earth.

Holy Ghost, thank You for living within Your called-out children, and thank You for cool mornings, hot days and cool nights.

Holy Ghost, thank You for this blessed nation known as the United States of America.

Holy Ghost let the laughter of Your children resound through the Heavens, and let their smiles be ever-presently placed before the Father of lights.

Holy Ghost, You are great!

Holy Ghost, teach us Your ways, and may You become the delight of the hearts of Your called-out children.

The Love of Christ
A prayer of Mark Berryhill

He offers eternal salvation to His beloved because He is the Creator of love and life.

He desires a people that will give their hearts to Him and their lives for Him.

He loves you more than He loves His universe because you, my precious child, were made and created in His image.

He offers hope to the hopeless and eternal life unto the eternally damned.

He desires for His children to enjoy the gift of life.

He created faith in the faithless by their diligent study of His Word, and places love into hearts that are filled with hate.

He and His Word offer love, life, light and hope for His called-out children, and He is our future.

He causes His magnificent sun to rise each morning, and His sun to set each day, and by His sun warmth and goodness is provided unto the world.

He causes the moon to glisten and shed forth light during the comforting hours of the night.

He is the Creator of all good things, may we learn to love Him with every beat of our hearts.

He is the Alpha and the Omega; and in His right hand is the very breath of our lives.

Jesus, may You teach us to love You with every fiber of our existence.

Jesus, fill our children with Your love, Your knowledge, and Your Spirit.

All praise, glory, honor and power to God the Father, the Lord Jesus Christ, and the Holy Ghost.

My dear friends look at the beauty and awesomeness of our LORD's creation which surrounds us, and we know that love translated is JESUS.

The blood of the child brought forth by the beloved Mary is the reason for the birth of each of His beloved children.

A Rose and a Cross
A song of Mark Berryhill

Love is the most beautiful word of any language, and mountains which seem unmovable to the natural eye can easily be moved with love.

Love is a word that will change the world for Jesus Christ and His character and demonstration of His unfathomable love for you was best displayed at His cross of love.

Love is a word that paints a picture which reveals a wooden cross, and on that cross there hangs a beautiful red rose which signifies the eternal beauty of the blood of Immanuel's love.

Love reveals a world filled with precious daughters and wonderful sons which are free gifts from the Creator of love.

Love flows down from Heaven from the Father of lights, and our hearts are filled with quality of life and His infinite love.

Love is so accurately demonstrated by the artist who has captured the scene of a mother as she gently hugs her precious son, and rocks him in a chair that has been past down through the years by other mothers who also understood that a child and a mothers love for her child is from the God of love.

Love forgives while hate seeks revenge, and love exhorts and comforts while hate tears down.

Love carries the other person when the other person can not carry themselves, and hate pretends not to see the needs of others.

Love and the definition thereof is the diligent teaching of God's Word in the daily lives of His lambs.

Love and the innocent lamb found without blemish has changed the world forevermore.

The brilliant artists painting reveals our King on His cross of love, His blood is flowing from the crown of thorns placed within His head, a gentle falling tear runs down my cheek, and I say, oh my Lord, oh that I could have died for You!

Holy Ghost, thank You for dwelling within the hearts of Jesus Christ's lambs.
Holy Ghost, thank You for the gift of adorable daughters and wonderful sons.
Holy Ghost, let Your love flow down from Heaven, and cause Your children to understand the beauty of living.

Holy Ghost, we praise You, we glorify You, we need You and we love You!

Holy Ghost let the focus of our lives be to serve You with pure and perfect hearts.
Holy Ghost, thank You for causing Your called-out children to love You with all of our hearts, souls, minds and strength.

Holy Ghost, You are the reason for the joy in our hearts today, therefore, let our song be to please You today, and for all of the tomorrows.

Abba, Abba
A song of Mark Berryhill

JEHOVAH creates these precious and delicate children, how could you ever question His unfathomable love for you?

J.A.H. rides on the clouds, and walks in the waters of the deep because He is able.

El Shaddai saved Isaac from Abraham's knife because of His infinite wisdom.

Adonai sings with a voice which roars as does a lion, even the Lion of Judah.

Elohim dances in the heaven of heavens each time one of these precious lambs accepts the King as their personal Savior.

Alpha and Omega resound throughout the Heavens, and the earth will dissolve soon after Omega follows Alpha!

I AM THAT I AM rules in Heaven and on earth, for everything in Heaven and earth belongs to I AM!

The Prince of Peace sheds forth peace into the very lives of His called-out children, and nothing can separate you from His infinite love for you!

Can you hear the voices of the angels as they sing together in perfect unison and harmony to bring glory to the GOD of all?

The Wonderful Counselor is but a heart beat and prayer away, if you find yourself desiring to serve Him with every fiber of your existence!

The Mighty God is victorious, walk with Him, for to be separated from Him is to be in an eternal fire without hope!

Christ's Crown of Glory
A prayer of Mark Berryhill

The painting reveals an undeserved crown of thorns that is placed around the King's head, His blood gently pours down His face, and I ask Him, why my LORD?

The artist's brilliant painting of the King hanging on the cross turns a gentle falling tear into a flowing river of tears.

With outstretched arms, and with nails placed within His delicate hands and feet, the artist has captured the essence of the love of Jesus Christ, "Greater love hath no man than this that a man lay down his life for his friends."¹

The cross of Jesus Christ was and always will be the greatest victory ever won for God's called-out children.

The blood of Jesus Christ redeemed the Father's children back unto Him.

There is great power in the blood of the Lamb that was found without blemish, His blood offers forth Your eternal salvation.

JESUS CHRIST is the very reason for the creation of life!

The Power of Vision
A song of Mark Berryhill

In the right hand of the eleven year old boy as he enters his school house is a book which is covered in a black leather cover, the books name is the Holy Bible.

The boy's school house will become another place where the young boy is both taught his Father's Word and filled with his Father's Spirit.

In the right hand of the nine year old girl as she enters the school house is a book which is covered in a black leather cover, the book's name is God's Sword of the Spirit.

The young girl's school house will become another place where the young girl is both taught her Father's Word and filled with her Father's Spirit.

JEHOVAH, may You be loved, adored and glorified by our children today and always!

Love and Grace
A song of Mark Berryhill

Can the love that a mother possesses for her newborn baby girl be either weighed or measured?

Can the love that a father possesses for his newborn son be either weighed or measured?

Consider the great love parents have for their children, and yet the love Jesus Christ bestowed upon you at His cross is exceedingly greater!

Jesus Christ endured the pain of the cross for you because He understands the meanings of love and grace.

Lamb of God
A song of Mark Berryhill

God's golden sun presents a radiant smile, and joy enters into the hearts of the little ones, while the gentleness of God's moon tells a story of the gentleness of God's character.

Beautifully designed crosses and elegantly arranged flowers unite and rejoice by singing a song of victory about Jesus and His cross at the graves of His beloved.

Blood pours from the thorns that are placed within our Lord's precious head, and tears begin once again to run down my cheeks; I then suddenly realize that because of God's infinite love, and because of the power of the blood of the Lamb, we have eternal life.

Christ is the Gift
A song of Mark Berryhill

Jesus Christ creates the beauty that each day brings forth.

Jesus Christ forms these precious, adorable and helpless babies in the wombs of their mothers because He is the great I AM!

Jesus Christ gave His life for you because His love for You exceeds even the distance it is from the farthest star of the west unto the farthest star of the east.

Simple, Jesus Christ is love, and the laughter of His children causes His heart to leap with joy!

Christ Reigns
A song of Mark Berryhill

His smile appears to be dancing, while His heart of gold leaps with joy.
His love for His children surpasses even the distance it is to the farthest star of the north, which He Himself placed with His delicate yet strong fingers.
His Spirit is the life and light of His called-out children, and the beauty of His unfathomable greatness!
His name rings forth throughout the Heavens; listen as the angels sing in perfect unison and harmony, Immanuel!

The Most Perfect Gifts
A song of Mark Berryhill

Offer a prayer of thanksgiving unto our God because He has truly blessed us with the most perfect gifts!
He is great, and He and He alone is worthy to receive all of the praise, glory and honor!
J.A.H. is His name and the clouds are His chariot.
Father, cause Your children to multiply, and to become innumerable, even as the stars of Heaven, which are innumerable.
Father, thank You for our precious children, and for Immanuel, the most perfect gifts!

Jesus is King
A prayer of Mark Berryhill

The recently born goats are adorable, and joy is brought into our hearts as we see them for the first time.

The baby chicks can be held in the palm of ones hand, but seem at peace when near each other.

The guinea hens are quicker and more subtle than the snake, and make him lunch rather than being made lunch.

In the palm of the right hand of the Almighty God the universe is held.

Father, thank You for the beauty of Your creation, and most of all, thank You for Jesus!

Heart of a Child
A song of Mark Berryhill

Holy Ghost, may You cause love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance to reign in our hearts, and in the hearts of our children.

Holy Ghost, live and reign within the hearts of our children.

Holy Ghost, as the Shepherd gently leads His flock, lead the steps of the thoughts of the hearts of our children.

Holy Ghost, fall upon these precious lambs of Christ, even as on the day of Pentecost, and with Your skillful hands Almighty Father, as the potter with the clay, mold the hearts of our children.

The Beauty of Life
A prayer of Mark Berryhill

Did Mary fully understand how much she was loved by the Father to be chosen as the mother of His precious Son, Immanuel?

Did Mary fully understand the importance and power of the blood of her precious Son, Immanuel?

Did Mary fully understand that the world would be changed forevermore because of the unfathomable love of her precious Son, Immanuel?

Did Mary fully comprehend that “God with us” is the meaning and translation of her precious Son’s name, Immanuel?

Light of the World
A prayer of Mark Berryhill

Holy Father, thank You for faithful mothers and dads who know that this is Your world.

Holy Father, thank You for the smiles of precious baby girls that bring forth such beauty and innocence into Your world.

Holy Father, thank You for the soft blue sky, white clouds floating as pillows, trees which seem to dance as Your wind gusts through them, for the dew covered grass, and for the variety of animals throughout Your world.

Holy Father, thank You for the majesty of Your sun as he rises and as he sets.

Holy Father, most of all, thank You for the birth of a precious baby boy who was born in the small town known as Bethlehem, and whose name is Jesus.

Jesus is Life
A prayer of Mark Berryhill

He came from Heaven to earth to do the will of His Father.
He came from Heaven to seek and save the lost which drift apart from His Father.
He came from Heaven to save the souls of His children, and to turn their eyes to
His Father.
He came from Heaven to save you and me because the love within His heart for
us is as the love that He possesses for His Father.
God is love!

Perfect Hearts
A song of Mark Berryhill

Have you considered the perfection with which the LORD created today?
Have you recently gazed at the beauty and brilliance of our LORD's shining stars
as they dance and sing in His night sky?
Have you thanked our LORD today for your precious son, and for your precious
daughter that He gave unto you because of His immense love for you?
Father, yesterday is a day already spent, while tomorrow is yet a dream and
vision, teach us to live today by loving You with perfect hearts.

He will be Named Israel
A prayer of Mark Berryhill

Father, thank You for the beauty and love newborn children bring into our lives.
Father, may the hearts of our children be Your dwelling place.
Father, let the strength and greatness of America be Your unfathomable love for each child.
Father, with Your goodness and by Your enduring grace, the hearts of Your children will become hearts of gold, and hearts of silver.
Father, a tear of joy transforms into tears of love flowing as a racing river, and our hearts leap for joy as we pray, Immanuel, how great You are!

He is the Great I AM
A prayer of Mark Berryhill

Can you see the Father in His glory as He stands majestically over the very tallest of mountains, which He Himself designed?
Can you see the trees which reach into the Heavens and declare the glory of their Creator by singing songs of beauty unto Him?
Can you see the American Bald Eagle as he soars through the firmament of Heaven and begins his descent for his prey?
Can you see the bear's cubs in pursuit of their mother, as if it was their first time to ever see her?
Can you see the heart of pure love which resides within the Father, the Son, and the Holy Ghost?

The Love of JEHOVAH
A song of Mark Berryhill

JEHOVAH is love, and His hearts desire is for His children to trust Him.
JEHOVAH alone is His children's temporal and eternal provision and our lives
are created to serve Him.
JEHOVAH dances and sings over His children with love in His heart, while His
children dance and sing praises of joy unto Him.
JEHOVAH is great and no other can be compared unto Him.
